Progress Report 5 – April 2007

Melinda Snodgrass Update:

It is much regret that Melinda advises that she is unable to travel to Convergence in June. She will be undergoing major abdominal surgery in early May. We wish her a speedy and full recovery and look forward to seeing her in Australia in 2010.

Ditmar Awards:

Voting for the 2007 Ditmar Awards is now open. You may download a voting form from the Convergence 2 website <http://www.natcon.org.au/2007/Ditmars.htm>.

Only Convergence 2 members are entitled to vote. Voting closes 31 May 2007 so be sure to get your vote in on time. You may post your ballot or email it 2007_ditmars@natcon.org.au

Program News:

Available now on the Convergence 2 LiveJournal is a comprehensive list of Proposed Panels.

We are also seeking feedback for the proposed list of panels. All suggestions, ideas and improvements welcomed. The more emails and positive replies the programmer receives about a panel, the more likely it will make it to the final program grid.

If you would like to be on a particular panel, contact the programmer. Don't be shy. Newcomers are welcome. If you know someone who would be just perfect for a panel, ask them to contact the programmer.

For more information be visit our LiveJournal @ <http://community.livejournal.com/convergence2/> or contact the programmer – Mr. Jamie Reuel - @ 2007_program@natcon.org.au

Website:

Remember to regularly visit the Convergence 2 website @ <http://www.natcon.org.au/2007/index.htm> for up to date information and answers to many of your questions.

As the con draws nearer it may be quicker to actually check out the website for your answer rather than wait for one of the committee members to get back to you.

However, if you cannot find the answer you seek, the Convergence 2 Committee are more than happy to assist you in any way they possible and legally can!
